Job Opportunities

ASA TAship Hiring for 2022-23 School Year

UC Davis Asian American Studies is hiring Teaching Assistants (TAs) for the upcoming 2022-23 school year. Please apply through **UC Davis Handshake job posting number #6336211**. All the information and how to apply are on the job posting. **The deadline to apply is May 8th.**

Saiful Bouquet is Hiring - Structural Engineers All Levels

Saiful Bouquet is actively hiring for structural engineers at all levels in both their San Diego and Pasadena, California, locations. their Pasadena office will be relocating to Downtown Los Angeles by the end of 2022.

If anyone has any questions, please have them reach out to Dawna Lough (DLough@saifulbouquet.com)

Please see attached flyer for more information.

Professional Development and New Courses

GE4A Fellows Program

As a Fellow in the Global Education for All Fellows Program, students will have the opportunity to contribute towards the campus-wide initiative of [Global Education for All \(GE4A\)](#). Fellows have options to advise on different aspects of GE4A, or work on team projects that help further integrate global learning on campus. Fellows come from a variety of different fields of study, so there is opportunity for

interdisciplinary networking and collaboration. In addition, Fellows will have opportunities to participate in mentorship and work with campus leadership. The Program is a one-academic-year volunteer, unpaid commitment, with a monthly Zoom meeting. [Click here](#) for more details and to apply by Friday, May 13.

NEXTPROF Nexus 2022

On September 27-30, 2022, the University of California, Berkeley, the University of Michigan, and Georgia Tech will co-host the 2022 NextProf Nexus future faculty workshop on Berkeley's campus. This program aims to diversify the engineering professoriate by bringing together 40+ senior-level Ph.D. students, postdocs, and early career scientists and researchers from across the country for an intensive 3-day workshop about becoming a faculty member.

The 2022 NextProf Nexus future faculty workshop is designed to encourage people in traditionally underrepresented U.S. demographic groups to seek academic careers. It is open to U.S. citizens and permanent residents of any ethnicity, race, sexual orientation, gender identity, age, ability, veteran status, socio-economic status, first generation to college status, nation of origin, and/or religion.

Nominate or apply [here](#).

LEED Training

Make your resume stand out with the premier sustainability designation called the LEED Green Associate! LEED is simply a sustainability scorecard for green buildings. As buildings can become LEED Certified, people can become LEED accredited! The best way to break into the sustainability space is to attain the LEED Green Associate. It also shows employers and clients you have certified knowledge in the field. Since the LEED GA exam doesn't have a stellar pass rate, the value of the extra letters behind your name will carry even more weight.

Our engaging webinars have helped over 10K students and professionals learn the material cold AND clear the exam with a very high passing rate. **The LEED Professional Designation has helped past participants attain internships and jobs and now is a great time to add this credential.**

Register for a live webinar or start today with our on-demand recorded workshop completed anytime at your own pace here - <https://leadinggreen.com/online>
