*MMI 291 Seminar - Megan Liou, PhD Scholar, BMCDB Graduate Group*

### **Scholarships**

*CA Latino Legislative Caucus Foundation's Scholarship Program*

*Milton and Mary Miller Plant Science Award*

---

## Job Opportunities

### Assistant Professor Position at U of Florida

The Engineering School of Sustainable Infrastructure and Environment (ESSIE) in the Herbert Wertheim College of Engineering (HWCOE) at the University of Florida (UF) invites applications for a nine-month, tenure-track Assistant Professor position with a focus on environmental engineering. The position will be housed in the Department of Environmental Engineering Science (EES) within ESSIE. This position has an anticipated start date of January 2023 or sooner.

The scope of the position is broad; however, we are particularly interested in candidates who have the vision to develop research scholarship beyond the traditional tenets of environmental engineering, with emphasis on chemistry/microbiology of water and wastewater systems/water epidemiology and/or health-environmental surveillance systems.

Learn more here: <https://explore.jobs.ufl.edu/en-us/job/521685/assistant-professor>.

## Professional Development and New Courses

### Funding Fest Workshops - May-June 2022

The Torrey Pines Training Consortium is offering free online workshops on grant writing and finding funding. Find full schedule attached to this email and register here

<https://www.eventbrite.com/o/torrey-pines-training-consortium-2873026385>.

MMI 291 Seminar - Megan Liou, PhD Scholar, BMCDB Graduate Group

PhD Scholar, Megan Liou, (Biochemistry, Molecular, Cellular and Development Biology Graduate Group) will be speaking at the MMI 291 Seminar Series, Friday, May 13, 2022 at 12:10 pm via Zoom.  
<https://ucdavishealth.zoom.us/j/96142856707>, PASSWORD: 533458

## Scholarships

### CA Latino Legislative Caucus Foundation's Scholarship Program

The **CA Latino Legislative Caucus Foundation's Scholarship Program**, now in its eighth year, is accepting online applications from eligible students. The program was established to assist deserving students by offering financial assistance to meet educational expenses. Fifty \$5,000 scholarships will be awarded this year.

In order to be eligible for scholarship consideration students must meet the following requirements:

- Be a full time student in good academic standing at an accredited college or university, OR
- Be a graduating high school senior with written proof of acceptance at an accredited institution of higher learning.
- Have a minimum grade point average (GPA) of 2.5.
- Submit a completed online application with all required supplementary documents by the application deadline. ***Please note: Applications and all supplementary documents must all be submitted together online. We do not accept items submitted separately via mail, in person delivery or through legislative offices.***

Complete scholarship requirements and details (including the application) are now available at the Foundation's website: [www.CLLCF.org](http://www.CLLCF.org) Answers to frequently asked questions can be found at: <https://www.cllcf.org/faq>

**The deadline for submitting the online application and all supporting documentation is June 1, 2022. There are no exceptions to this deadline.**

### Milton and Mary Miller Plant Science Award

#### Eligibility:

- Cooperative Extension staff pursuing related degrees
- Grad and undergrad students with an interest in Cooperative Extension careers
- U.S. citizenship required

#### Deadline:

Noon (PST) on May 17, 2022

More information regarding the award can be found in the attached document  
To apply, please visit: <https://milleraward.plantsciences.ucdavis.edu/>
