## TA Consulting Fellowship

Support your peers and enhance your teaching skills while working to improve undergraduate education at UC Davis. The Teaching Assistant Consulting (TAC) Program fellowships provides fellows with professional development opportunities to prepare for careers in college teaching or educational development, and help foster effective, inclusive teaching practice across campus.

### TAC Fellows can expect to:

- Participate in ongoing learning and professional development opportunities.
- Receive a quarterly fellowship of \$1,500.
- Gain valuable experience for a career in college teaching or educational development.
- Provide 1-1 consultations for Teaching Assistants, Associate Instructors and Postdoctoral Scholars.
- Facilitate workshops for Teaching Assistants, Associate Instructors, and Postdoctoral Scholars.
