NSF Graduate Research Fellowship Program 2022 Info Session

14 September 2022 – 10:00-11:00AM – Zoom

REGISTER HERE: <https://tinyurl.com/2p84fz94>

WHAT: GRFP Info Session

WHEN: Wednesday, September 14th,
2022, 10-11 AM

WHERE: Zoom

The National Science Foundation (NSF) offers a fellowship program to fourth-year undergraduates and first- and second-year graduate students called the Graduate Research Fellowship Program (GRFP). The GRFP supports students in STEM fields pursuing research-based master's and doctoral degrees.

Applications for the program are due starting mid-October. **To learn more, attend our info session on September 14 at 10:00 AM. [Register here.](#)**
