**Retroactive Grade Changes – Spring 2020**

Last week students were notified by email about greater flexibilities for retroactive grade changes for Spring 2020. The Chancellor included this information in his most recent Friday check-in and the notice has also been posted online. More information can be found here:

[Retroactive Grade Mode Changes for Courses Taken Spring 2020](#)

---

**Job/Internship Opportunities**

**Department of Toxic Substances Control**

The Department of Toxic Substances Control is now hiring for a Hazardous Substances Engineer. The Hazardous Substances Engineer, under general supervision of a Supervising Hazardous Substances Engineer I, works independently, and performs a variety of tasks related to the development and implementation of specialized hazardous waste programs and requirements. More information can be found in the link below:
