

**POSITION ANNOUNCEMENT**  
Assistant Professor of Civil Engineering

**Description:** Carroll College, a Catholic liberal arts college located in Helena, Montana invites applications for a tenure-track faculty position in civil engineering. Applicants must have a strong commitment to teaching at the undergraduate level in a small college environment and must be qualified to teach all levels of undergraduate engineering courses, specifically general civil engineering courses. The Civil Engineering Program is ABET accredited and has active Engineers Without Borders and ASCE student chapters.

Required qualifications are:

- a master's degree in engineering and
- the ability to obtain a Professional Engineering license within four years of hire.

Preferred qualifications include:

- a doctoral degree in engineering,
- a current Professional Engineering license and/or extensive professional experience, and
- the ability to teach civil engineering courses in water resources and/or transportation and geotechnical engineering.

In addition, the successful candidate shall have the ability to organize and conduct engineering and/or science laboratories in one or more of the indicated specialties. Applicants are required to have the ability to support the Mission of the College. This position is scheduled to start in August 2023.

**To Apply:** For priority consideration, please submit applications by November 15, 2022. An application shall include a cover letter, curriculum vitae, statement of teaching philosophy, and, if available, evidence of teaching effectiveness. Please provide email addresses and phone numbers for at least three professional references. Please submit all materials electronically to [employment@carroll.edu](mailto:employment@carroll.edu) . Position will remain open until filled. Salary is DOE. Finalists for the position will be asked to provide a written response to Carroll College's mission statement, <https://www.carroll.edu/mission-catholic-identity/mission-statement>.
