Marathon Petroleum Information Session Tuesday, October 8th 2019 6:00 pm - 7:30 pm Room 179 - Chemistry

Marathon Petroleum Corporation is a leading, integrated, downstream energy company headquartered in Findlay, Ohio. The company operates the nation's largest refining system with more than 3 million barrels per day of crude oil capacity across 16 refineries. Marathon Petroleum's marketing system includes branded locations across the United States, including Marathon branded outlets. Speedway LLC, a Marathon Petroleum subsidiary, owns and operates retail convenience stores across the United States. MPC also owns the general partner and majority limited partner interest in MPLX LP, a midstream company which owns and operates gathering, processing, and fractionation assets, as well as crude oil and light product transportation and logistics infrastructure.

FM Global Information Session Tuesday, October 8th 2019 6:30 pm - 8:30 pm Wellman Hall Room 026

FM Global is one of the world's largest commercial and industrial property insurance and risk management organizations specializing in property protection. More than 1 out of every 3 Fortune 1000 companies, as well as leading international corporations, benefit from FM Global's superior financial strength, policy coverage, risk

management skills and extensive expertise in loss prevention engineering and research.

Join us for an informational session hosted at UC Davis, where we'll detail current and upcoming opportunities for engineering majors and at our offices. Students and alumni with mechanical, civil, chemical and electrical engineering backgrounds are particularly encouraged to attend. Refreshments will be provided.

Please also stop by our booth on October 17th at the STEM career fair! We will also host on-campus interviews at UC Davis on October 22nd. To be considered, apply for the Consultant Engineer position listed on Handshake, job ID #2846963.

Clients rely on FM Global:

- To better understand the nature and causes of their risks
- For sound loss prevention solutions that safeguard their properties against the threat of loss
- For consistent cost-effective insurance and risk financing solutions worldwide
- To minimize business disruption and its financial impact if a loss occurs

Accenture Information Session Tuesday, October 8th 2019 7:30 pm - 9:00 pm

Olson Hall Room 006

Join us for a fun and interactive info session to learn more about Accenture, our people, culture, impactful work, and career opportunities! Accenture recruiters and former campus hires will be on site to answer your questions and help you determine if Accenture is the right place for you to take the next step in your career adventure.
