## Get Involved on Campus

**American Water Works Association (AWWA) at UC Davis**

***Last General Meeting - When: Monday, Nov. 15th, 5:00 - 6:30 pm at Kemper Courtyard/Ghausi 1007***

Come join AWWA first at the Kemper Courtyard from 5:00 - 5:30 pm to enjoy some free food and meet the new officers of our AWWA Student Chapter. Then at 6:30 pm, we will move indoors to Ghausi 1007 to present the events we have planned for the rest of the year.

For students interested in joining our AWWA Student Chapter. If you maintain your active membership, you will receive a stole commemorating your involvement with AWWA. It's not too late to join! Come learn more about what it means to be an active member and the opportunities available to you!

***Private versus Public Wastewater Career Options Webinar - When: Tuesday, Nov. 9th, 12 pm***

What is a career like at a private wastewater consulting firm? What is a career like at a public wastewater utility? What is it like to switch between the two? If you have asked yourself any of these questions or other related questions recently then this webinar is for YOU!

CWEA's Students and Young Professional's committee proudly presents a lunchtime webinar featuring three speakers (read the flyer for details) who have all made the leap between private industry and public utilities. During this webinar, you will learn about these two career paths and what factors to consider when making your own career decisions. Feel free to bring your own questions for an open Q&A with the speakers at the end of the webinar. Register [here](#)

### **Applications are Open for 2022-2023 AWWA Academic Scholarships**

AWWA Water Equation is offering 24 scholarships and over \$175,000 in funds to award for the 2022-2023 academic year! To apply for any of the scholarships, you must be an undergraduate or graduate student in Fall 2022, and you must be attending a university in North America. Each scholarship will have additional criteria that must be met to apply. **Applications are open until December 20, 2021.**

To learn more about the application process and necessary qualifications, please visit [Water Equation Scholarships](#) and their [FAQ section](#). If you have additional questions, please contact [scholarships@awwa.org](mailto:scholarships@awwa.org).

### **Gannett Fleming Forces of Change Scholarship**

The water industry is at a critical crossroads of aging infrastructure, water scarcity, workforce uncertainty, climate change, and the technological changes of the Fourth Industrial Revolution. Our collective success in addressing these forces of change depends on elevating a diversity of perspectives, backgrounds, and experiences, which is why this scholarship is so important.

Gannett Fleming is proud to offer a \$5,000 academic scholarship to an undergraduate or master's-level engineering student who has a passion for engineering the future of the water industry, is willing to accept an internship, and is seeking a career in California, Florida, Maryland, New Jersey, New York, Pennsylvania, Virginia, or Washington, DC.

## 2022 Tim Fleming Memorial Scholarship

The Tim Fleming Memorial Scholarship, 11th year of this scholarship, is actively soliciting applications (undergraduate and graduate students) and I highly encourage you to apply! The Information regarding the scholarship is below and view at the attachments for more details.

Tim Fleming Memorial Scholarship will be awarded to a Junior, Senior or Graduate Civil Engineering/Transportation major at University of California Davis, California State University Sacramento, or University of the Pacific. The amount of the scholarship has been increased to \$5000. Tim was an outstanding engineer and volunteer who unexpectedly passed away at the young age of 51. To pay tribute to his legacy as a leader in the engineering community, this scholarship was established in his name. The scholarship is administered by the California Transportation Foundation (CTF).

The scholarship has been given to a UC Davis student in the years of 2013, 2014, 2017, and last year.

Applications for the scholarship are due by **December 10, 2021**, and the presentation to the scholarship winner(s) will be in February 2022. If you have any questions about the scholarship, please feel free to contact Steve ([steve.hiatt9@gmail.com](mailto:steve.hiatt9@gmail.com); (916) 601-9106.
