

The Chicano and Latino Engineers & Scientists Society (CALESS) would like to invite everyone to the following opportunities! All majors and races are invited!

CALESS emphasizes that you **do not have to be** a “Paid”, “Active” or “Dedicated” member to be in CALESS.

(These memberships were created to provide our members opportunities to challenge themselves a bit more to be involved in CALESS.) Want more information on these types of memberships? [Click here](#)
