

NORCAL SETAC PRESENTS:

USGS California Water Science Center Facility Tour and Networking Event

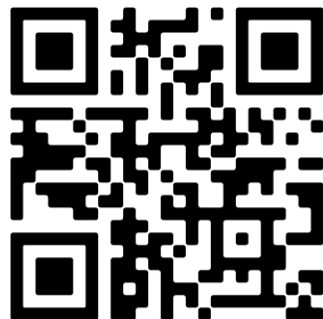

Curious about science careers in the federal sector? Well now is your chance to meet and learn from career scientists working for the USGS!

USGS employees of varying backgrounds, interests, and skill sets will share their own experiences in the federal workforce.

Tour federal research labs, right here on campus!

June 16, 2023 9:00am – 11:30am

Coffee and Pastries will be provided, reserve your spot today!
