

PEER PITCHES CONTEST – CALL FOR PARTICIPANTS

WHAT?

The PEER Student Committee will be hosting its first annual PEER Pitches contest during the upcoming PEER Researcher's Summit.

WHY?

We want to encourage your professional development with this opportunity for you to create your best research pitch.

WHEN?

September, 2022. Date TBA.

WHO?

Graduate students doing research in earthquake engineering are welcome to participate. We hope to have one student from each PEER institution!

HOW?

Signup by August 15 to express your interest and you'll receive more information in the upcoming weeks. Participants will be selected by mid August.
