EKI Environment & Water, Inc. is Hiring

EKI Environment & Water, Inc. (EKI), an environmental consulting firm with corporate headquarters in Daly City (NorCal), will be at the upcoming job fair. Mike Vasquez will be representing EKI from the Water Resources and Engineering group. However, Environmental Services is also hiring at the entry-level. EKI is an employee-owned, full-service engineering and environmental sciences consulting firm serving private and public-sector clients. If you are interested in positively impacting communities and the environment and advancing your career, then EKI is the place for you.

Send resumes to careers@ekiconsult.com, and CC dgandhi@ekiconsult.com

Swanson Engineering - Hiring

Swanson Engineering is looking to hire 1 or 2 civil engineering graduates. They are a small company in Bakersfield, CA, that deal with commercial, educational, and agricultural site design, including grading plans, site utilities, and street plans.

Send resumes to Justin Swanson Justin@swansonengr.com
