## NORCAL MAKE-A-THON

A month-long "Make-A-Thon" focused on turning your ideas into functional tangible reality. So, Inventopia is teaming up with our friends at Bekonix to create a unique kind of event: **a month of making** this November.

[View Flyer Here](#)

**Davis will be putting on 4-weekend events:**

**November 5th:**

Kickoff Event, Idea Pitches, Team Formation, Brainstorming

**November 12th:**

Work weekend / Design thinking and Bekonix workshop

**November 19th:**

Work Weekend / Troubleshooting with maker mentors on hand

**December 3rd:**

Final Celebration, Project Presentations, Awards, and a keynote from the amazing Dale Dougherty, from MAKE!

**NIGHT WITH INDUSTRY | AIChE**

AIChE at the University of California, Davis cordially invites you to save the date for the annual:

When: **Friday, October 28, 2022**

Time: **4:30 PM - 8 PM**

Where: **ARC Ballroom A, B, & C**

Night with Industry (NWI) is an event that brings talented students of all engineering and technical disciplines together with prospective employers for a night of networking, dining and enhancing potential careers. The event will be in two parts; 4:30 pm - 6 pm will be a career fair where you can talk one-on-one with company reps. The second part will be a formal dinner with the company reps from 6 pm - 8 pm.

List of Companies at NWI:

**Chevron**

**PepsiCo**

**SMUD**

**Jacobs Engineering Group**

**Granite Construction**

**Lawrence Livermore Laboratories**

**Keysight Technologies**

**US Army Corps**

**and more!**
