INTERESTED IN TUTORING AND/OR IMPACTING THE CARCERAL SYSTEM?

TFII is a student-run organization on campus that focuses on providing academic resources to incarcerated and system-impacted individuals in the Davis and Sacramento areas.

Members have the opportunity to tutor students one-on-one, talk about the history of mass incarceration and its profound impacts on today's society, and, more importantly, discuss the role we can play in order to dismantle the carceral system. If you are interested in creating equitable access to education and other resources, please apply!
