1. Women in Transportation Social

The Women in Transportation Seminar will be hosting our first social event of the quarter during Happy Hour on International Women's Day, March 8th.

Please join us at 5:00 PM for a relaxing evening at 805 2nd Street in Davis Downtown at Tres Hermanas Restaurant. We will have a table reserved outside for our participants with appetizers provided. Also, think of a Female identified figure and share how she/they/them inspires you!

2. Tau Beta Pi – “Pi a Professor”

Tau Beta Pi, the engineering honor society, is hosting a Pi Day celebration event! For just $3, you can put a pie in the face of a professor or student officer! Best study break ever? We think so! Please see the attached file for details, or visit the Facebook event here:

https://www.facebook.com/events/727110374350192/?active_tab=about

3. ICC Employer Information Sessions

New and Upcoming Employer Information Sessions

**WSP USA, Inc Employer Information Session**

*Thursday, March 7, 2019 TONIGHT*

6:30-8:00 PM 114 South Hall

WSP Buildings is one of the premier engineering consultancies in the US. We deliver innovative, integrated solutions to complex problems, and are leaders in sustainability and energy-efficient design. WSP broadly designs in the buildings, transportation, energy, water and environment sectors. Come design buildings like One World Trade Center, the National Museum of African American History, the Mercedes-Benz Stadium in Atlanta, and Salesforce Tower in San Francisco!

Event page at: [https://www.facebook.com/events/405478563343201/](https://www.facebook.com/events/405478563343201/)

(Ideal for Electrical Engineering, Mechanical Engineering and Civil Engineering students)

**Solarlytics, Inc Employer Information Session**

*Monday, March 11, 2019*

6:30-8:00 PM 114 South Hall

Solarlytics, Inc. is a renewable energy IoT stealth-mode startup based in Livermore, CA. We are producing a brand new technology that is game-changing for the industry. We're looking to grow our team! Come to our information session to learn more about our company, open positions, expectations and how to successfully interview with us.

Undergraduates in Electrical Engineering and Computer Science, and Master’s students in Electrical Engineering are encouraged to attend this information session. You are encouraged to bring your resume. Refreshments will be served.

This position will require you to be onsite in Livermore, CA. Check out Aggie Job Link postings 846623 (Junior Hardware Design Engineer) and 846751 (Junior Software Design Engineer).

- Help yourself by building an additional channel for growing your own successes.
- Effective personal branding will differentiate you from other professionals in your field.

**Webinar Topic Includes:**

*Take Charge of Your Brand:* Did you know everyone has a personal brand? Some people just take a more active role in shaping that image and those that do are better positioned for success! Guisselle shares her insight, expertise and provides specific strategies to help the participants begin to learn how to invest in the journey of owning and managing their personal brand.

Join Guisselle’s Take Charge of Your Brand webinar to enhance your career and personal growth. Help yourself by building an additional channel for growing your own successes. Effective personal branding will differentiate you from other professionals in your field.
6. Out 4 Undergrad Engineering Conference

The 2019 O4U application is now open, and its planning committee is looking to increase the number of applicants from University of California, Davis.

If you're not familiar with Out for Undergrad (O4U) or the O4U Engineering Conference, you can learn more about it on the website here: https://www.outforundergrad.org/. To keep it short and sweet, it is a weekend-long professional development conference for high achieving, high potential LGBTQ+ undergraduate students who are studying engineering or interested in going into engineering.

This year's O4U Engineering Conference will be held at Boston Scientific in Minneapolis, Minnesota from September 27th to September 29th. The application deadline for round one admissions is March 23rd, 2019 at 11:59 PM (EST).

Students are admitted to attend the conference on a rolling basis. Flights and hotels are covered entirely by O4U, so if you are admitted, they will only have to pay the $90 registration fee. O4U also offers fee waivers, discounts, and payment plans to students who are not able to afford the registration fee.

If you or anyone you know has any additional questions/concerns, please feel free to reach out to me or the O4U Engineering Admissions Team at O4UEngineeringAdmissions@outforundergrad.org
