Civil Undergraduate Announcements – April 30th, 2019

1. **SWE Self-Improvement Workshop Tonight!**

   SWE's "I Am Remarkable" Confidence Boosting Workshop: Tuesday, April 30th, 7:00PM-8:00PM ARC Meeting Room 2
   Balancing difficult engineering coursework with extra-curricular commitments, work schedules, personal lives, etc. can be extremely challenging. To help with this, SWE at UC Davis is excited to be offering a confidence-boosting workshop session with a representative from Chevron! This event is aimed towards improving self-promotion motivation and skills, as well as challenging the social perception of self-promotion. Join us for dinner and a workshop as we learn to build and maintain confidence together! If you are interested in participating, please use this form to RSVP! Spots are running out so sign up now to secure your seat at this special, inaugural event!

2. **WRRC Midterms STEM Cafe**

   *The Women's Resources and Research Center invites you to STEM Cafe!*

   STEM Cafe is a study and work friendly environment with STEM academic support available for math, science, or coding.

   All are welcomed!

   (Refer to link below for details on which courses are available for academic support.)
Lunch is served.

*snacks and testing materials will be provided.

Check out our event on Facebook:
https://www.facebook.com/events/381769742671393/

Please note: New Location! 1st Floor of North Hall, CONFERENCE ROOM

3. Sac City MESA Hiring STEM Assistants

Sacramento City College MESA is hiring STEM Program Assistants

About MESA
Sacramento City College MESA (Mathematics, Engineering, Science Achievement) assists students who are historically underrepresented in the STEM fields (Science, Technology, Engineering, Mathematics) to excel academically, personally, and professionally. Our goal is for students to transfer to a 4-year university and earn a bachelor's degree in STEM. MESA provides students with tutoring, enrichment activities, a professional network, and a family-like support system to enhance success and enrich the college experience. Learn more at www.scc.losrios.edu/mesa

MESA Program Assistant Job Description
• Conduct individual and group tutoring in STEM subjects such as mathematics, engineering, chemistry, physics, biology
• Develop workshops, enrichment activities, and academic excellence curriculum for MESA program
• Serve as a mentor and role model to MESA students
• Support and assist with MESA club activities (such as SHPE, NSBE, AMSA)
• Participate in recruitment efforts to promote MESA and encourage students to apply
• Assist Faculty Coordinator with MESA program day-to-day activities

Salary and Work Schedule
• $16 per hour
• Work schedule is flexible and ideal for undergraduate, graduate students, and recent grads

Minimum Qualifications
• 60 (semester) or 90 (quarter) undergraduate units completed

How to Apply: submit the following to Lorena Jauregui, MESA Faculty Coordinator at jauregl@scc.losrios.edu
Deadline: Friday, May 10 at 11:59pm
1) resume
2) cover letter
3) unofficial transcripts (from all colleges)

Questions? Contact the MESA Faculty Coordinator:
Lorena Jauregui, Ed.D.

ICC Positions for Graduate Students

Career Services for Master’s, PhD and Postdoctoral Scholars (MPP) at the Internship and Career Center is hiring for two graduate student assistant (GSA) positions! If you are seeking an on-campus immersive experience or to develop additional skills please consider to apply.

- **Graduate Student Peer Advisor**
  - Great opportunity for people seeking to further develop skills in mentorship, advising, communication, presentation skills for careers such as faculty, community college teacher, student affairs or management.

- **Graduate Student Coordinator (ID# Aggie Job Link 849945)**
  - Great opportunity for people interest in developing additional skills in marketing, partnership development, employer relations, program development for careers such as academic administration, industry, government and student affairs.

Both roles are great opportunities to further your career management and professional development.

Applications due May 6th, 2019. Can start as early as Summer 2019! Job description listed below and attached to this email. Please submit a cover letter (1 page limit) and resume (2 page limit) to Aggie Job Link.
Tech Leadership Summer Institute is a 6-week summer program for undergraduates and recent graduates interested in pursuing a career in tech. The program will cover learnings on innovation, data science, artificial intelligence, and product. It’s not limited to any major, in the past our students came from diverse backgrounds from chemical engineering to Asian American studies.
SMUD has posted two amazing paid internship opportunities – Operational Technology Network Engineering (OTNE) Intern and Informational Technology Intern. We are accepting applications for these positions now until Wednesday, May 1st. Please see www.smud.org/studentjobs for more information.

Unitrans is making a big hiring push so we can get ready for Fall 2019. We’re trying to hire as many people as we can to train during summer to get ready. If you have students who need summer jobs and work next academic year, please let them know we’re hiring! Training starts at $12/hour and then goes to $14.25/hour when you get your license. Wage increases to $15.25/hour on January 1, 2020. We offer very flexible work hours, supervisory and management opportunities, and it’s FUN to drive the buses!
The posting is up til Thursday but then we'll immediately re-post it again. Apply at vacancy.ucdavis.edu or go to https://vacancy.ucdavis.edu/listings/3170/
