CSI and SISS “Making Friends and Finding Community” Program

The program Making Friends and Finding Community is for first-year international students so they can learn how to stay connected to campus and navigate their social life once they leave the residence halls. We will have activities and free lunch! It will be on Tuesday, May 14 at 12pm in the International Center, Room 2119. Attached is a flyer. RSVPs will be collected through the [AggieLife Event](#).

Davis Feminist Film Festival
The Womxn’s Resources and Research Center is excited to invite you to the 14th Annual Davis Feminist Film Festival, a grassroots event showcasing short independent documentaries, narrative and experimental films that engage perspectives often missing from mainstream media. Local in spirit and global in scope, the festival provides an inclusive public space for underrepresented artists to raise consciousness about the intersections of gender, race, ethnicity, class, ability, sexuality, and other socially constructed categories. It is a fun, inspiring, community-building event for artists and audiences alike!

Along the festival, there will also be an accompanying Art Show in the Theater lobby featuring students’ art pieces centered on social justice and feminist visions. We encourage all artists to submit their feminist art piece whether that be a poem, painting, sculpture... all art forms are accepted and appreciated! Submit your artwork by May 19. For more info see event flyer below.
Tickets are available at the Women’s Resources and Research Center for a suggested donation of $5. Fee waivers are also available for those unable to make a donation. Tickets can also be reserved online [here](#).
